

# EVS at Kalø Økologiske Landbrugsskole/Videns Djurs

## project dates

From 01/12/2017 to 30/07/2018

## project location

Rønde **Denmark**

*Number of volunteers:* 1 volunteer

## *project description*

---

Kalø Økologisk Landbrugsskole is the only school in Denmark educating young people in the field of organic agriculture. Our approximately 100 students and future farmers are instructed in domestic animal care, cultivation of plants, technical skills, social studies, economics, production and management.

We imagine that the two EVS volunteers are enrolled in a mixed program along the year according to the season:

1. All year long farming, including livestock (pigs, sheep, hens, cows), plants, field work, managing agricultural machinery, preparing vegetables for the farm shop etc. There is more work in agriculture from March to October but the animal care-taking is all year long.
2. During the winter, you will also be farming, but you will also probably be involved in other tasks like School administration including IT, marketing of the school in different networks (Instagram, Facebook, blogging etc.) and food manufacturing, tracing the process from soil to plate.

## *accommodation, food and transport arrangements*

---

The volunteer will live at the school and get they three meals there.

There are public transport going between Kalø Økologiske Landbrugsskole and Århus.

## *volunteer profile*

---

The recruitment process is open to all, but it would be generally preferred that the volunteer should have a keen interest in learning about agriculture, organic farming and sustainability. We will highly value a volunteer who is not afraid of getting his or her hands dirty from digging up vegetables or helping out taking care of the animals in the stables

The entire recruitment and selection process will be done in a close cooperation with AFS Interkultur as the coordinating organisation. AFS Interkultur will offer the vacant position through its existing network.

## *how to apply*

---

Please find our application form attached. If you cannot open the form please write Maria Palmvang an email to request the form.

In order to apply, please fill out the application form and send it along with your CV to [maria.palmvang@afs.org](mailto:maria.palmvang@afs.org) before the 15th September 2017.
