### CALL FOR PARTNERS

Keep Europe Clean, Go Green!

Dear colleagues, partners and friends,

Our association, EKO-MLADENOVAC will implement in late spring / early summer 2014 an International Youth Exchange with the title "Keep Europe Clean, Go Green". The project, realized in the frame of the Youth in Action programme of the European Commission seeks to promote intercultural learning and to support building a common future based on the principles of ecology, peace, solidarity and multiculturalism first of all among the young participants and in our local community. In this context the participants of the exchange take a central position, because they represent the "voices" which have the chance to discover and to discuss future activities in which young people experience and learn to take control of their own environment. The participants will work in small and mixed working and discussion groups, have debates and presentations in the plenary, realise excursions and other outdoor activities related to the theme like field actions and field researches, official meetings and debates with local representatives. The planned activities will contribute to the strengthening of education for sustainable development, environmental education and the role of volunteering among participants and partners as well as a raised awareness of inhabitants of the communities involved.

Therefore the participants of the YE will exchange their experience, knowledge, make partnerships and discuss about ideas regarding the following issues:

- Sustainable development and environmental protection
- Volunteering & youth participation
- Intercultural exchange
- Project management

**We are looking for partners from programme countries (EU27, EFTA + pre-accession) and partner countries from SEE (South Eastern Europe).**

If you are working in the respective field, interested to join the YE and to support the project please send us back the partner agreement (signed and stamped) as well as the partner identification form by email to the following address:

EKO-MLADENOVAC (keyword/subject: YE Green14)

Please make sure that you used the proper version of the partner agreement and filled correctly. Furthermore potential partners are asked to fill the attached "Partner identification form" (if not available please request by Email).

*Please note:*

*Partners are selected upon the presentation of complete documents and proper description of working field.*

*Regards from Belgrade,  
Mladen*
