

FRENCH CIVIC SERVICE VOLUNTEERING

(MARCH 2019 – OCTOBER 2019)

SUPPORTING ACTIONS TO DEVELOP ENGAGEMENT OF YOUNG PEOPLE IN A RURAL AREA

Organisation : Parcours le Monde – Grand Est

Location: Petite Pierre (between Nancy and Strasbourg)
(East of France)

During the project you will spend one week of integration and one month of restitution and valorization of the experience in Nancy or Strasbourg.

The missions are:

- Supporting the actions of revitalization of the territory set up by the City Hall through workshops, meetings and awareness-raising actions (intergenerational relationship, environment, cultural actions ...);
- Supporting the team in the implementation of awareness-raising activities about European citizenship and interculturality;
- Supporting the establishment of the City Council of Children through awareness-raising activities and communication actions;
- Taking part in the City Council of Children to implement actions to raise awareness on active citizenship;
- Leading various types of information meetings about different topics (actuality topics, international mobility, etc...) with young people in the area.

The volunteer is free to propose other activities according to his/her interests.

The volunteer we are looking for:

- Is between **18 and 25 years old**;
- Is motivated and attracted by **volunteer work & community associations**;
- Likes dealing with **young people** and wants to develop skills in the field of the **activities animation** (hosting/organizing/leading group activities & workshops);
- Has a good level of **French** (B1 minimum);
- Has **driving license** (the mission is situated in a village in the countryside and a car will be provided)

General Interest of the mission

- Through social and cultural activities volunteers will create a new dynamic inside the village;
- Young people will feel concerned by activities and will be encouraged to be more engaged for their territory;
- Encourage people to be more open toward the others;
- Develop the network of hosting organization on the territory.
