

# RE-ACCESS CITY!

## ERASMUS+ YE

20 – 28 June  
(including travel days)  
Odorheiu Secuiesc, Romania

Erasmus+

# ABOUT THE PROJECT

The purpose of the Re-Access City! project cycle is to generate a positive change on the level of accessibility regarding cities, institutions and public services in Europe.

The objectives of the projects are to develop key skills, raise awareness and increase the empathy of young Europeans for the inclusion of people with disabilities, and their active involvement in joint efforts to improve the living conditions of people with disabilities in Europe.

The specific objectives are to identify the problems of accessibility of cities, institutions and public services, and to develop useful tools (adaptable and usable as good practices for other European localities), which will effectively contribute to overcoming them by people with disabilities.
